

Temporary Surface Protection for Carpet

Description

Skudo Carpet Cover is a commercial grade, strong and durable protection layer for foot traffic and spill and stain protection with excellent resistance to tearing and ripping. Skudo Carpet Cover is specifically designed to provide high strength and performance for carpet protection during construction.

Skudo Carpet Cover is perfect for commercial and residential applications, including stairs and high traffic areas. Unlike other products, Carpet Cover features a proprietary adhesive that does not leave a sticky residue on the protected surface. Skudo Carpet Cover can provide protection for up to 6 months.
