

Part #AT-4K-3.3-33-ORANGE
TECHNICAL DATA SHEET

PURPOSE: ALL-TERRAIN MAT has been developed specifically as a safe traffic zone on loose and unprepared ground within construction sites for workers, contractors and light trade vehicles.

PERFORMANCE

PROPERTIES: ALL-TERRAIN MAT provides a heavy duty surface with a free draining structure that allows for dirt and water to pass through ensuring the surface remains clear and as safe as possible. ALL-TERRAIN MAT offers excellent durability and resistance to heavy wear and tear. ALL-TERRAIN MAT also provides a very high level of slip resistance for both wet and dry conditions whilst being resistant to mold and fungal attack.
